RE: BURNAM, Corey M
Dkt. No. 2:04CR00020-001
Request For Release From
RRC Placement

Dear Judge Shea:

On April 30, 2009, Mr. Burnam appeared before Your Honor for a supervised release violation hearing. Mr. Burnam was continued on supervised release with a modification to his conditions which required him to reside at a residential reentry center (RRC) for up to 180 days. Mr. Burnam began his RRC placement on May 18, 2009, and successfully completed substance abuse treatment, which included anger management, and has complied with all program rules and requirements of Geiger RRC.

The purpose of this letter is to advise Your Honor of Mr. Burnam's progress, and compliance, since the revocation hearing, and to respectfully recommend Mr. Burnam be allowed to released from the RRC prior to completion of the 180 day term.

Mr. Burnam has maintained full-time employment since his arrival at the Geiger RRC, working as a "press apprentice" for Garland Printing. The undersigned has spoken with Mr. Burnam's supervisor, Mark Sleizer, and he rates Mr. Burnam's performance "well above average." In addition, the undersigned has confirmed that Mr. Burnam has an appropriate release address and will be residing by himself at a previously rented apartment.

Burnam, Corey M

It appears as though Mr. Burnam has realized the seriousness of any further violations and has taken the initiative to address issues that lead to the previous violations. He has no pending legal matters with Spokane District Court, in regard to the violation of the no-contact order.
